

SARTORETTE SCHOOL

PARKING LOT PROCEDURES

For the safety of our children, please do not stop in the passing lane to drop off/pick up children.

Stop only in the drop off/pick up lane. Pull all the way forward in the lane and make room for others.

Carpool Morning Drop Off

Sartorette now has a **morning drop off** carpool lane! Eligible vehicles may enter the bus circle to drop off students, then exit through the passing lane, and out the main exit. Just as with the “drop off only” lane, drivers may not leave their vehicle. A form is available on Sartorette’s website and in the office. After returning the completed form, you will be given a pass to place on your dashboard.
