## I. Introduction

The Fammatre staff wishes to operate as a neighborhood dependent conversion charter public school in order to take advantage of some of the flexibility that charter status offers. The school will pursue the mission and vision of the Cambrian School District as described in the District's Mission, Vision, Outcomes, Indicators, in addition to the Fammatre site commitment to excellence.

The conversion to a neighborhood charter public school offers the school community flexibility in two key areas that we need in order to operate differently than current district and state policies will allow. We do not seek or desire independence from the Cambrian School District. We wish to operate as a dependent charter school in order to operate with limited independence from Education Code in the following two areas:

1. Site level block grants that allow flexibility. Flexibility to receive site level funds in the form of a block grant, rather than specific program funds, in order to utilize these funds to provide flexibility to meet the needs of our students, staff, parents and programs.
2. Area-wide enrollment of students. Fammatre enrolls about twenty percent of its students from outside the Cambrian School District. We will be able to offer attendance options for individuals living outside the district's attendance boundaries who want to continue or begin their K-5 education at Fammatre Elementary School.

## **Mission and Vision**

Fammatre School will subscribe to the Mission and Vision of the Cambrian School District. That Mission and Vision is as follows:

### ***Mission Statement***

Cambrian School District, a close, caring, collaborative community, prepares students to be critical thinkers and effective communicators ready to succeed in our changing world.

### ***Vision Statement***

- Our District has high standards where success for all is expected and achieved.
- Our District models global citizenship teaching real world connections and practical applications
- All students achieve in a variety of ways to meet social and academic goals.
- Collaboration is evident in all facets of our school community.
- Learning occurs in a safe, comfortable and state of the art environment conducive for all.
- Quality teaching is deliberate and by design.
- Everyone is a role model for life long learning.

## Statement of Operations

Fammatre School will retain its current operational relationship with the district in all of the following ways:

- Governance by the Cambrian School District Board of Education
- Maintenance and insurance of school facilities
- Changes, additions or alterations to the facilities
- Maintenance of the non-instructional operations
- Insurance of school and district personnel against liability claims of all current and future district policies
- All current and future contracts agreed upon between the Cambrian School District, Cambrian District Teachers' Association (CDTA) and California School Employee's Association (CSEA) Local Chapter 641 in accordance with the Educational Employment Relations Act (EERA)
- All operations, except inter-district transfers, currently in place with other neighborhood schools in the district

## II. Educational Philosophy

### **Education Code 47605 (b) (5) (A)**

*A description of the educational program of the school, designed, among other things, to identify those whom the school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.*

Fammatre School is a neighborhood school that offers students the promise of an exceptional education in grades kindergarten through five that leads to successful middle school and high school experiences, and the post-secondary options of fulfilling employment or admission to institutions of higher education. This promise is made with the understanding that an education is a shared responsibility of the public schools, parents, community, and the individual learners.

### **The guiding principles are:**

All children can learn  
All children can succeed  
All children have value  
All children have a right to the best education possible  
All children can be lifelong learners  
All children deserve respect  
All children have a shared responsibility for their education  
All children will have a safe, orderly school environment

### III. Measurable Student Outcomes

#### **Education Code 47605 (b) (5) (B)**

*The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's education program.*

Fammatre School will be held accountable for all learners meeting the measures of success for the outcomes of the school. Our goal is for all Fammatre students to meet the statewide performance standards developed by the California Department of Education and described in multiple measures. These standards include the subject fields of language arts, mathematics, science, social studies and physical education. All students will participate in state-mandated assessments. Fammatre School's students will participate in all district-mandated assessments and meet district standards. Trimester report cards will be continued on the same schedule adopted by the district as a whole.

#### **CA Education Code 47605 I (b) (5) (C)**

*The method by which pupil progress is to be measured.*

Progress will be objectively measured by the annual statewide assessments as determined by the State of California and by formative and summative district assessments.

Progress will also be measured by teachers in the traditional manner, such as through project performances, portfolios, tests and exams. Progress will be discussed on a regular basis with parents and children and existing trimester reports cards will continue to be distributed.

#### **CA Education Code 47607**

*Requirement to meet specific performance standards to renew the Charter.*

Measurable Outcomes: Fammatre has met the overall school API growth target in each of the past four years.

Use of Data: The Fammatre staff consistently uses formative assessments throughout the year to improve instructional practices to ensure mastery of grade level standards. Data on formative assessments are sent to parents to maintain effective communication on their child's progress. STAR summative data are sent to parents as mandated by state requirements.

## IV. Governance Structure

### **CA Education Code 47605 (b) (5) (D)**

*The governance structure of the school, including, but not limited to, the process to be followed by the school to ensure parent involvement.*

Fammatre School will be a dependent, neighborhood charter school that will be governed by the Cambrian School District Board of Education.

On-site decisions regarding a process for ensuring parent involvement and budgeting of AB544 funding and any other money allocated from the state for the charter school, including grants, will be by consensus among certificated staff acting on recommendations made by the majority of the Fammatre Advisory Council. If consensus cannot be reached, a decision will be made by a 60 percent majority vote of certificated staff. Any amendment to this charter petition itself will be approved by this same process - consensus of certificated staff or a 60 percent majority vote, thereof, in the event consensus cannot be reached.

### **Membership**

Site level governance is performed by the Fammatre Advisory Council and includes staff and parents. The team will consist of eight voting members. These include:

- Four staff—one principal, three teachers
- Four parents—parents may express an interest to serve and will be selected in the spring to begin the following fall. Included in the parent group will be an English Learner representative.

### **Term of Office**

The term of office of each staff representative shall be two years. In the event that a staff representative resigns, a vote will be taken to fill the seat. The staff member so selected will complete the term of the staff member who resigned.

The term of office of each parent representative shall be two years. In the event that a parent representative resigns, the vacancy will be advertised in the school newsletter to seek a replacement. The parent representative so selected will finish the term of the person who resigned.

### **Meetings**

The Fammatre Advisory Council shall establish a regular time, date and place of meeting and shall hold a minimum of at least three regular meetings per school year during the months of September through June (excluding the short school month of December).

Four of eight voting members shall constitute a quorum. The Fammatre Advisory Council may establish rules and procedures governing the conduct of its meetings

The Fammatre Advisory Council shall be subject to the Ralph M. Brown Act, California Government Code Section 54950, et seq. as is the current site council.

## V. Human Resources

### **CA Education Code 47605 (b) (5) (E)**

*The qualifications to be met by individuals to be employed by the school.*

Teachers at Fammatre shall be required to hold a Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold. As the California Department of Education and the Commission for Teacher Credentialing provide interpretations for the requirements for non-academic subjects those interpretations will be followed and submitted to the Cambrian School District Board of Education for approval. Cambrian School District shall not require any employee of the district to be employed at Fammatre School. The district will utilize existing policies and collective bargaining agreements to address staff members currently assigned to Fammatre who do not wish to continue at the school under the charter status.

Job descriptions and credential requirements for all positions will remain the same as described in the CDTA and CSEA collective bargaining agreements.

### **CA Education Code 47605 (b) (5) (F)**

Fammatre School will be a dependent, conversion charter that shall maintain the policy giving admission preference to pupils who reside within the former Fammatre attendance area. Preference shall be extended to pupils currently attending Fammatre School and pupils who reside in the Cambrian School District attendance area. Should interest in the school be greater than its capacity, the school Leadership Team will follow the process for determining admission to the school which is outlined in the next section (CA Education Code 47605 (b) (5) (H)). This process shall be approved by the Cambrian School District Board of Education and be consistent with the law.

The Cambrian School District Governing Board shall not require any pupil enrolled in the school district to attend Fammatre School and will utilize district policies for placement of students not wishing to attend the school.

Fammatre School will consult with the Cambrian District Board of Education regarding the number of students admitted to the school based on existing policies and procedures. The enrollment capacity will be established annually and be consistent with state law and master agreements between the Cambrian School District and the Cambrian Teachers' Association and the California School Employees' Association.

**CA Education Code 47605 (b) (5) (H)**

*Admission requirements, if applicable.*

There are no admission requirements. Fammatre School will admit pupils who wish to attend the school if there is space. In accordance with the law, preference shall be given to students who reside within the attendance area of the school, students who already attend Fammatre, siblings, followed by students who reside in the Cambrian School District attendance area. If the number of pupils who wish to attend exceeds capacity, attendance shall be determined by public random drawing as soon as practical after registration has opened and applications have been accepted. After that, spaces will be filled on a "first come first served" basis. Current district policies used for admitting and removing inter-district transfer students will be followed for out-of-district charter students.

**VII. Financial Planning, Reporting, and Accountability**

**CA Education Code 47605 (b) (5) (I)**

*The manner in which annual, independent, financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority.*

Fammatre School shall be a dependent charter school and participate in the district's annual audit. Exceptions and deficiencies so noted will be addressed promptly, pursuant to policies and procedures established by the Cambrian School District Board of Education.

**CA Education Code 47605 (b) (5) (J)**

*The procedures by which pupils can be suspended or expelled.*

Students shall be suspended or expelled for actions for which they could be suspended or expelled from the Cambrian School District as defined by the Education Code Sections 48900 to 48926. The due process mandated for school districts therein will be followed at Fammatre School.

**CA Education Code 47605 (b) (5) (K)**

*The manner by which staff members of the charter schools will be covered by the State Teachers' Retirement System, the Public Employees' Retirement System, or federal social security.*

Fammatre School will retain its current relationship with the Cambrian School District for the purposes of all staff benefits as provided under existing master agreements.

1. **Relationship with local teachers' and school employees' associations:** Fammatre staff will continue with the current relationships with the Cambrian Teachers' Association and the California School Employees' Association.
2. **Process for determining salaries and working conditions:** Fammatre staff will continue its current relationships with the school district, the Cambrian Teachers' Association and the California School Employees' Association for purposes of determining salaries and benefits for employees.

### **CA Education Code 47605 (b) (5) (L)**

*The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools.*

### **CA Education Code 47605 (b) (5) (M)**

*A description of the rights of any employee of the school district upon leaving the employment of the school district to work in a charter school and of any rights of return to the school district after employment at a charter school.*

All current and new employees at Fammatre School will be employees of the Cambrian School District and all rights of permanent status and transfers shall be the same as those used by the district and outlined in the CDTA and CSEA collective bargaining agreements in accordance with the EERA. In addition, all Education Code rights and responsibilities and any other statutory provisions shall remain in effect.

We wish to reiterate that the Education Code of California remains in effect with the exception of flexibility in funding by block grant and area-wide enrollment as stated in our introduction.

### **CA Education Code 47605 (b) (5) (N)**

*The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter.*

There are no special provisions for dispute resolution in this charter. As a dependent charter, existing policies, practices and education and government code shall remain intact. Specific provisions within the existing CDTA and CSEA for constituent complaint policy, collective bargaining, and grievance procedures will remain applicable.

All employees of Fammatre School will be employees of the Cambrian School District.

## **CA Education Code 47605 (b) (5) (P)**

*A description of the closure procedure, including closeout audit, asset liability disposition, and records transfer.*

The process for charter school closure will follow the California State Department of Education recommended process. This process will include an official action by the Cambrian School District Governing Board effective at the end of an academic year, notifying the Charter Schools Unit of the California Department of Education, parents, and the Santa Clara Office of Education. The Cambrian School District will maintain all student and school records as required by law for the charter. After its closeout, the school will have an audit to determine and financial responsibilities which will be borne by the Cambrian School District. As a conversion charter school, the assets and liabilities will remain part of the Cambrian School District.

## **VIII. Impact on the Charter Authorizer**

As a dependent charter, we will have minimal additional impact on the Cambrian School District for facility's needs, administrative services, and potential civil liability effects.

## **IX. Required Affirmations**

Fammatre School shall be nonsectarian in its programs, admission policies, employment practices and all other operations. It shall not charge tuition and shall not discriminate against any pupil on the basis of ethnicity, national origin, gender, socioeconomic status or disability.

## **X. Miscellaneous**

### **Severability**

The terms of this charter are severable. In the event that any of the provisions are determined to be unenforceable or invalid for any reason, the remainder of the charter shall remain in effect.

On an annual basis, if 51 percent or more of the permanent status teachers currently employed at Fammatre choose to revoke charter status by February 1<sup>st</sup> of any school year, then the Cambrian School District Board of Education shall agree to revoke the charter and return the school to non-charter status the next school year.

The Cambrian School District Board of Education may revoke the charter as described in Section 47607 of Assembly Bill 544.

### **Special Education**

If students attending Fammatre School qualify for special education funds, then the Cambrian School District shall treat Fammatre students as it treats other Cambrian School District students.

In terms of Special Day classes, resource specialist services and speech services, the charter school will follow all current and future district regulations, practices and policies.

In order to meet federal requirements of No Child Left Behind, a 2008 Growth API is posted even if a school or LEA had no 2007 Base API or if a school had significant population changes from 2007 to 2008. However, the presentation of growth targets and actual growth would not be appropriate and, therefore, are omitted.

"N/A" means a number is not applicable or not available due to missing data.

"\*" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

"A" means the school or subgroups scored at or above the statewide performance target of 800 in 2008.

"B" means the school did not have a valid 2007 Base API and will not have any growth or target information.

"C" means the school had significant demographic changes and will not have any growth or target information.

"D" means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education school. Target information is not applicable to LEAs, ASAM schools, or special education schools.

"E" indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

**Targets Met** - In the "Met Growth Target" columns, the growth targets reflect state accountability requirements and do not match the federal Adequate Yearly Progress (AYP) requirements. The AYP requirement for the API is a 2008 Growth API of 620 or a one-point increase from 2007 Base API to 2008 Growth API for a school or LEA.

Note: Data are reported only for numerically significant subgroups. Subgroups meeting the following criteria are considered numerically significant: the group (1) contains at least 100 students with valid Standardized Testing and Reporting (STAR)

Program test scores included in the API OR (2) comprises at least 15 percent of the total valid STAR Program scores and contains at least 50 students with valid STAR Program scores.

"N/A" means a number is not applicable or not available due to missing data.

" \* " means this API is calculated for a small school or a small LEA, defined as having between 11 and 99 valid STAR Program test scores included in the API. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted. Similar schools ranks are not calculated for small schools.

"A" means the school or subgroup scored at or above the statewide performance target of 800 in 2006.

"B" means this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or statewide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by *Education Code* Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law. Growth, target and rank information are not applicable to LEAs.

"C" means this is a special education school. Statewide and similar schools ranks are not applicable to special education schools.

"I" means the school has some invalid data, and the California Department of Education cannot calculate a valid similar schools rank for this school.

Note: Data are reported only for numerically significant subgroups. Subgroups meeting the following criteria are considered numerically significant: the group (1) contains at least 100 students with valid Standardized Testing and Reporting (STAR) Program test scores included in the API OR (2) comprises at least 15% of the total valid STAR Program scores and contains

at least 50 students with valid STAR Program scores.

"N/A" means a number is not applicable or not available due to missing data.

"N/R" means required enrollment data are not reported.

" \* " means this API is calculated for a small school or a small LEA, defined as having between 11 and 99 valid STAR test scores included in the API. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted. Similar schools ranks are not calculated for small schools.

"A" means the school or subgroup scored at or above the statewide performance target of 800 in 2005.

"B" means this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Schools participating in the ASAM do not currently receive growth, target information, or statewide or similar schools rankings on this report in recognition of their markedly different educational missions and populations served. ASAM schools are covered under the Alternative Accountability system as required by *Education Code* Section 52052 and not the API accountability system. However, API information is needed to comply with the federal No Child Left Behind (NCLB) law. Growth, target and rank information are not applicable to LEAs.

"C" means this is a special education school. Statewide and similar schools ranks are not applicable to special education schools.

"I" means the school has some invalid data, and the California Department of Education (CDE) cannot calculate a valid similar schools rank for this school.

State Accountability: Academic Performance Index (API)

STAR 2005 Percent Tested	Number of Students Included in the 2005 API Growth	API				Met Growth Target		
		2005 Growth	2004 Base	2004-05 Growth Target	2004-05 Growth	School- wide	Comparable Improve- ment (CI)	Both Schoolwide and CI

In order to meet federal requirements of No Child Left Behind, a 2005 API Growth is posted even if a school or LEA had no 2004 API Base or if a school had significant population changes from 2004 to 2005. However, the presentation of growth targets and actual growth would not be appropriate and, therefore, are omitted.

- "N/A" means a number is not applicable or not available due to missing data.
- "\*\*" means this API is calculated for a small school, defined as having between 11 and 99 valid STAR test scores. The API is asterisked if the school was small either in 2004 or 2005. APIs base on small numbers of students are less reliable and therefore should be interpreted with caution.
- "A" means the school scored at or above the statewide performance target of 800 in 2004.
- "B" means the school did not have a valid 2004 API Base and will not have any Growth or target information.
- "C" means the school had significant demographic changes and will not have any Growth or target information..
- "D" indicates this is either an LEA or an Alternative Schools Accountability Model (ASAM) school. Target information is not applicable to LEAs or to ASAM schools.
- "E" indicates this school was an Alternative Schools Accountability Model (ASAM) school in the API Base report and has no target information even though the school is no longer an ASAM school.

**Targets Met** - In the "Met Growth Target" columns, the growth target requirement is part of the state accountability system and does not match the Adequate Yearly Progress (AYP) requirements. The AYP requirement for the API is a 2005 API Growth score of 590, or a one-point increase from 2004 API Base to 2005 API Growth.
