

## **Fammatre Giving Campaign – Question and Answers:**

### **Why do we need to make this contribution when we already pay taxes for education?**

The State of California is the primary source of funding for the school, however these funds only cover the basic expenses, even with the additional funding gained from parcel taxes. The HSC budget funds the gaps.

A full disclosure of the HSC accounts is provided during the HSC meetings, and are posted on the school website, so you can view where the money is being spent.

### **CHANGE FROM PREVIOUS YEARS I want to donate to the Giving Campaign; how can I donate?**

To accommodate current safety guidelines, there are two ways for donating:

**Website** – <https://www.cambriansd.org/site/Default.aspx?PageID=338> and use the donate button. This will provide you with an option for payment with PayPal, Credit or Debit card

**Venmo** - You can make your donation directly to @Fammatre-HSC

### **Are there any fees when utilizing PayPal?**

There are NO processing fees when you donate via PayPal.

### **My company offers matching for employee charity contributions. What information you I need to provide to gain extra funds?**

Typically, you will need to provide the schools charitable organization tax ID number.

This is 77-0448212. If your organization requires additional information, please email us and we are happy to oblige. The payment should be made to **Fammatre Home & School Club**.

### **My employer processes my donation and company match through their own internal site or utilizes a third party vendor. How can I complete this process to ensure the money gets to Fammatre?**

You will need to provide the Cambrian Educational Foundation (CEF) charitable organization tax ID number, which is 77-0448212. To ensure that Fammatre receives the donation and match, please indicate “Fammatre Elementary School” in the comments, or anywhere that the site allows to enter the name. If your organization requires additional information, please [email us](#) and we are happy to oblige.

As your donation will be handled directly through the employer/third party vendor, it may takes weeks for us to receive the funds. To allow us to track and budget for the remainder of the year, we would appreciate if you could still complete the Corporate Matching donation form.

(cont)

**I don't know if my employer matches employee charity contributions.**

If you provide your employer details on the form, we can check on a database and notify you. Please ensure you provide a contact email or phone number.

If your employer does not offer match funding, we are happy to contact them, but only with your permission.

**My family members would like to donate. Can they, and how?**

Absolutely. We welcome all donations from the extended Fammatre family. Payment methods are the same as above.

**When does the Giving Campaign start and finish?**

This year's giving campaign starts on September 2, 2020. The campaign aims to reach its goal by the end of September. We keep the scheme open for match funding, as payments can take longer to be approved and processed.

In addition, if we have not reached our target, we will send correspondence that is linked to the end of tax year.

**Will I receive a letter confirming my charitable donation to Fammatre?**

Yes, at the end of the tax year, every donor to the Giving Campaign will receive a letter confirming their contribution. This will be sent from the HSC Treasurers, and where appropriate can be used as part of your tax return.
