I. INTRODUCTION / FOUNDING GROUP

The Sartorette staff wishes to operate as a neighborhood dependent conversion charter public school in order to take advantage of some of the flexibility that charter status offers. The school will pursue the mission and vision of the Cambrian School District and the Sartorette commitment to excellence as described in the District's Mission and Vision and Outcomes and Indicators.

The conversion to a neighborhood charter public school offers the school community flexibility in two key areas that we need in order to operate differently than current district and state policies will allow. We do not seek nor desire independence from the Cambrian School District. We wish to operate as a dependent charter school, in order to operate with limited independence from the Education Code in only the following two areas:

1. Site level block grants that allow flexibility. Flexibility to receive site level funds in the form of a block grant, rather than specific program funds, in order to utilize these funds to provide flexibility to meet the needs of our students, staff, parents and programs.
2. Area-wide enrollment of students. Sartorette enrolls over twenty percent of its students from outside the Cambrian School District. We will be able to offer attendance options for individuals living outside the district's attendance boundaries who want to continue or begin their K-5 education at Sartorette Elementary School.

Statement of Operations

Sartorette School will retain its current operational relationship with the district in all of the following ways:

- Governance by the Cambrian School District Board of Education
- Maintenance and insurance of school facilities
- Changes, additions or alterations to the facilities
- Maintenance of the non-instructional operations
- Insurance of school personnel and district against liability claims of all current and future district policies
- All current and future contracts agreed upon between the Cambrian School District, Cambrian District Teachers' Association (CDTA) and California School Employee's Association (CSEA) Local Chapter 641 in accordance with the Educational Employment Relations Act (EERA)
- All operations currently in place with other neighborhood schools in the district

II. EDUCATIONAL PHILOSOPHY AND PROGRAM

Sartorette School will subscribe to the Mission of the Cambrian School District. That Mission is as follows:

Mission Statement

Cambrian School District, a caring and collaborative community, develops creative and critical thinkers who communicate effectively, value diversity and are ready to excel in a global society.

Education Code 47605 (b) (5) (A)

A description of the educational program of the school, designed, among other things, to identify those whom the school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.

Sartorette School, serving approximately 500 students, is a neighborhood school that offers students the promise of an exceptional education in grades kindergarten through five that leads to successful middle school and high school experiences, and the post-secondary options of fulfilling employment or admission to institutions of higher education. This promise is made with the understanding that an education is a shared responsibility of the public schools, parents, community, and the individual learners.

Sartorette School will utilize instructional materials adopted by the Cambrian School District. These will include state adopted instructional programs for language arts, math, science and social studies.

Instructional strategies and structures implemented will provide support for all levels of students--special education, English Language Learners and those who are achieving below, at and above grade level. Support will be provided by flexible small groups in the classroom, tutoring, reading intervention assistance, extended day kindergarten, ExCEL/RtI regrouping, and enrichment and extension activities for advanced students.

The guiding principles are:

We believe:

- In valuing and teaching the whole child
- In preparing all Cambrian students for the global challenge of the 21st Century
- In honoring and encouraging the strengths of every child
- In fostering a strong sense of community and creating a safe, orderly learning environment for all
- In success that is built through collaboration and teamwork
- In children as capable learners who have a shared responsibility for their education

- In a well-rounded education that encompasses the arts, physical education, and hands on experiences
- In celebrating diversity of cultures and importance of the individual in an equitable environment

III. MEASURABLE STUDENT OUTCOMES

CA Education Code 47605 (b) (5) (B)

The measurable pupil outcomes identified for use by the charter school. "Pupil outcomes," for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's education program.

Sartorette School will be held accountable for all learners meeting the measures of success for the outcomes of the school. Our goal is for all Sartorette students to meet the statewide performance standards developed by the California Department of Education and described in multiple measures. These standards include the subject fields of language arts, mathematics, science, social studies and physical education. All students will participate in state-mandated assessments. Sartorette School's students will participate in all district-mandated assessments and meet district standards. Trimester report cards will be continued on the same schedule adopted by the district as a whole.

CA Education Code 47605 I (b) (5) (C)

The method by which pupil progress measured.

Progress will be objectively measured by the annual statewide assessments as determined by the State of California and by formative and summative district assessments.

Progress will also be measured by teachers in the traditional manner, such as through project performances, portfolios, tests and exams. Progress will be discussed on a regular basis with parents and children and existing trimester reports cards will continue to be distributed.

CA Education Code 47607

Requirement to meet specific performance standards to renew the Charter.

Measurable Outcomes:

Sartorette has met the overall school API growth targets in each of the past four years. The API statewide decile ranking is 9 in the same period, with a range of 4 to 10 in similar school rankings. See *Attachment 1*.

If consensus cannot be reached, a decision will be made by a 60 percent majority vote of certificated staff. Any amendment to this charter petition itself will be approved by this same process - consensus of certificated staff or a 60 percent majority vote, thereof, in the event consensus cannot be reached.

All previous money controlled by the School Site Council will remain in its current location as per the School Plan unless altered by the School Site Council.

Membership

Site level governance is performed by the School Site Council and includes staff and parents. The team will consist of ten voting members. These include:

- One principal, two teachers and one classified staff member
- Four parents -- parents may express an interest to serve and will be selected in the spring to begin the following fall.

Term of Office

The term of office of each staff representative shall be two years. In the event that a staff representative resigns, a vote will be taken to fill the seat. The staff member so selected will complete the term of the staff member who resigned.

The term of office of each parent representative shall be two years. In the event that a parent representative resigns, a notice will be sent home to parents and the vacancy will be advertised in the school newsletter to seek a replacement. Ballots will be distributed to the parent community. The parent representative so selected will finish the term of the person who resigned.
