

Dear Room 6 Families:

I want to welcome you and your child to the Third Grade! I am looking ahead to a great school year. I wanted to write you a note to introduce myself and let you know that I am very excited about being your child's teacher. I am committed to meeting the needs of each individual child and working with you as partners in your child's learning.

Third Grade is a very important year – It is an exciting transition between the lower and upper grades. We are going to have a great year filled with academic challenges and opportunities for personal growth. I am also looking forward to meeting you personally at Back-to-School Night, August 31st at which time I will provide more detail.

We will have snack recess everyday at 10:30 a.m. I encourage you to send a healthy snack daily with your child. I also allow the children to bring water bottles to have in the classroom.

Your child will have approximately 30 minutes of homework and 20 minutes of reading Monday through Thursday. Your child will come home with a notebook (we call it an agenda) in which the students write their homework assignments. There will be a place for you to sign daily verifying your child has completed his/her homework.

In advance, I would like to thank you for your support in making your child's school year a terrific one. If you have any questions about homework or anything else, please feel free to call me (408) 377-3022 Ext. 7206. You can also send me an email at karayannisl@cambriansd.com

Sincerely,

Lorena Karayannis
