School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Fammatre Charter Elementary School, named a 2008 California Distinguished School, is an outstanding school that values academic excellence, enjoys parental and community support, and produces well-prepared students. Located in West San Jose, bordering Los Gatos and Campbell, Fammatre serves approximately 570 students in grades TK -5. Additionally, we have two special day classes on our campus and two special day preschools. A safe, warm learning environment is evident as one enters the beautifully landscaped campus. At Fammatre School we believe that all our students can learn, grow, and experience success in school. We believe that children learn best when they are taught in ways that address their learning styles and that a positive, safe learning environment fosters successful student achievement. We encourage individual dignity, self-esteem, self-responsibility, and a sense of belonging to the school and community. Our focus is on teaching the whole child with an emphasis on creativity, communication, collaboration, and critical thinking to ensure students become productive citizens.

Vision Statements

- Our District has high standards where success for all is expected and achieved.
- Our District models global citizenship teaching real-world connections and practical applications.
- All students achieve in a variety of ways to meet social and academic goals.
- Collaboration is evident in all facets of our school community.
- Everyone is a role model for lifelong learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

School Facility Conditions and Planned Improvements (Most Recent Year)

Each school has a separate staff room with adult restrooms and kitchenette facilities. Common areas for students to enjoy at break and lunch have been improved.

Fammatre School is well maintained by a staff of custodians who are assigned to the school. They maintain cleanliness and support the facility in many ways. They are supplemented by district staff who regularly assist in building maintenance. Custodians assure jobs are completed in a timely manner through an automated work order system. Learning is enhanced by improved lighting output at lower consumption rates. Fire alarm systems are regularly maintained at strict state standards. Heating and cooling systems are being added or upgraded in the summer of 2003. Fammatre School is well maintained by a staff of custodians who are assigned to the school. They provide cleanliness and support of the facility in many ways. They are supplemented by district staff who regularly assist in building maintenance. They assure jobs are completed in a timely manner through an automated work order system. In 2015, new perimeter fencing was installed. Solar arrays were added in 2015 to meet 85% of the schools electrical needs. The primary play ground was upgraded in 2015 to enhance the play experience.

Cambrian is extremely proud of our technology infrastructure. Our present ratio of students to computers is 3:1 iPads in TK-2 and 2:1 Chromebooks in grades 3-5. Students have computers available in their classroom. Computers are networked and linked to the internet. We are currently utilizing digital portfolios for all students to share daily work with their families as well as archive work throughout the students years at Fammatre. In 2016, all classrooms had flat screen televisions installed to replace the failing Smart Boards. There is a district wide technology specialist available to the schools and additional support from teacher representatives at each site who assist fellow teachers with any problems or questions that might occur. There is a districtwide technology plan to guide decisions.

Additional work during the summer of 2006 was completed on the infrastructure, including electrical and plumbing. All classrooms were renovated and a new office was completed in January, 2007.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	50	58	67	66	50	50
Mathematics (grades 3-8 and 11)	58	65	63	64	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Foster Youth	--	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Student-led conferences (grades 4-5), Project Cornerstone, Art Vista, classroom volunteers, and event coordinators/supporters bring families into partnership with the school. The administration conducts principal coffees, English Language Advisory Committee, and School Site Council meetings several times a year to keep the community informed and ask for feedback to improve our practice. The Home and School Club brings parents, students, and our community together for a variety of activities. These include events such as our Monster Boogie Bash, Family Dance, Starlight Auction, Family Code Night, STEAM Night, Walk-a-Thon, field trips, and dining out events. Parents help in our classrooms as Arts Vista and Project Cornerstone docents and the Makerspace. Several clubs are active at school, including the Girl Scouts and Boy Scouts. Parents volunteer to coordinate a number of after school activities such as Girls on the Run, Let Me Run and after school enrichment programs. Parents become involved during our Back To School and Open House evenings and we have occasional evening assemblies that bring the community together. Finally, events such as our music program provide additional times for the community to participate in our program. If you would like information about any of the above activities, please contact our Home and School Club president at president.fhsc@gmail.com or the principal at smithj@camabriand.com.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Cambrian is a small school district with a long history of creating a safe learning environment. Absenteeism is less than 4% a year; suspensions are less than 1% for the school. Students are aware of safety plans should emergencies arise and they complete practice drills often. Students and staff practice fire drills once a month, an earthquake drill twice a year as well as a lockdown drill once a year. Cambrian works with other agencies to provide a safe environment, which promotes learning. In addition, the school is sensitive and proactive about medically sensitive issues, such as peanut allergies and students with diabetes, and trains staff on how to manage such situations. For more details, please see our Comprehensive School Safety Plan at <https://www.cambriansd.org/domain/651>.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

District-wide staff professional development are reflective of students, staff, school and district's goals and needs. Professional learning activities are designed to engage teachers in learning and implementing best practices that benefit student learning in alignment with district goals. These opportunities for professional learning include the following:

- Instructional Rounds
- TK-8 Articulation Days (Teacher Inservice Days)
- District/Side/Grade Level Collaboration Time (Early Release Days)
- Visible Learning
- Guided Reading
- Writer's Workshop

Staff development is designed in our primary areas of focus: Common Core shift, English Learner instruction, questioning for critical thinking, and mathematical understanding. Using CCSS assessments, professional development is aligned with district, school, and/or individual professional needs to ensure teachers have the adequate background, skills, and materials they need to support student learning. When new programs are introduced (e.g. math, science or language arts), a specific time is dedicated to staff development to ensure the even and effective implementation of the program.
