School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Located in West San Jose, bordering Los Gatos and Campbell, Farnham School serves approximately 500 students in grades TK - 5.

PBIS

PBIS stands for Positive Behavior Support and Interventions. All of Cambrian Schools participate in the PBIS program. Our goal is to work together to create and maintain a school environment that is Predictable, Positive, Safe, and Consistent. Our three primary school rules are the Farnham ABC's: Act Responsibly, Behave Respectfully, and Care for others. During the school year, we are defining, teaching, reviewing and modeling positive social and behavioral expectations in all areas of the school-based on what these three rules look like and sound like in each location. The expectations, language, and follow-through are the same for everyone.

Professional Development

Staff development is designed in our primary areas of focus: English Learner instruction, writer's workshop model, guided reading, Common Core State Standards (CCSS) for Math and ELA, Next Generation Science Standards, and differentiation. Using CCSS assessments, professional development is aligned with district, school, and/or individual professional needs to ensure teachers have the adequate background, skills, and materials they need to support student learning. When new programs are introduced in areas such as math, science or language arts, specific time through either teacher release days or 2 hours on early release days is dedicated to staff development to ensure the even and effective implementation of the program.

They are supplemented by the district staff who regularly assist in building maintenance. They assure jobs are completed in a timely manner through an automated work order system.

During the Bond measure of 2003 - 2007, all classrooms were renovated and new carpet installed. The bathrooms were upgraded as well. In 2015, new perimeter fencing was installed. Soar arrays were added in 2015 to meet 85% of the schools electrical needs. The Ipad academy has been in place for several years.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	65	59	63	64	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Farnham parents are collaborative partners in the education of their children. These organizations offer many opportunities for parents to stay actively involved in their child's education. The School Site Council advises site administration on programs and expenditures in the Local Control and Accountability Plan (LCAP). The English Language Advisory Committee (ELAC) advises site administration on programs and expenditures related to our English Language Learner program. The Home and School Club brings parents, students, and our community together for a variety of activities. Our Home and School Club raises a significant amount of money to support the school program with field trips, technology, assemblies, etc. These include events such as our Pumpkin Walk, Walkathon, Ice Cream Social, Art Show, Olympic Day, Family Science Night, Movie Night, and dining out events. Several clubs are active at school, including the Girl Scouts and Boy Scouts. Parents help in our classes as reading/math volunteers and Arts Vistas Instructors, Project Cornerstone Asset Building Champions, and Garden Adventures docents. Parents are also invited to participate as volunteers in all of the H&SC community events mentioned above. Finally, events such as our music program add additional times for the community to participate in our program.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Cambrian is a small school district with a long history of a safe learning environment. Absenteeism is less than 4% a year: suspensions are less than 1% for the school. At Farnham, safety is our primary focus. Our Safe School Plan is on our district Web site and is annually updated in collaboration with our community, staff and law enforcement representatives. We implement an emergency response protocol known as the Incident Command System (ICS) that allows us to be prepared to respond to a variety of emergency situations. We participate in disaster drills such as lockdown, shelter-in-place, earthquake, and fire. Our local fire department and police departments regularly visit our campus to check for fire and traffic safety.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

District-wide staff professional development is reflective of students, staff, school and district's goals and needs. Professional learning activities are designed to engage teachers in learning and implementing best practices that benefit student learning in alignment with district goals. These opportunities for professional learning include the following:

- Grade Level Collaboration Time (Early Release Days)
- K-8 Articulation Days (Teacher Inservice Days)
- District/Site/Grade Level Collaboration Time (Early Release Days)
- Professional Development Release Days to meet in collaborative learning teams to review student data and plan updates to instructional strategies to meet student needs

Professional development is aligned with district, school, and/or individual professional needs to ensure teachers have the adequate background, skills, and materials they need to support student learning. When new programs are introduced in areas such as math, science or language arts, specific time through either teacher release days or 2 hours on early release days is dedicated to staff development to ensure the even and effective implementation of the program.

Staff development is designed in our primary areas of focus for 2019-2020 based on the district adoption of a new language arts curriculum:

- English Learner instruction using Benchmark Advance curriculum
- Reading, Writing, Speaking, Listening instruction using Benchmark Advance curriculum
- Guided Reading
- Social-Emotional Learning using the Second Step curriculum
- Data collection and analysis

These areas were selected as priorities based on multiple factors including student assessment results on state testing, teacher and community feedback, and state adoption of updated content standards such as NGSS.

Finally, annually the staff receives updated professional development areas such as:

- Positive Behavior and Interventions Supports
- Emergency Response Protocols
- State-mandated training on topics such as Sexual Harassment and Mandated Reporters
