

## ALL ABOUT ME PROJECT

### Part 1:

Write your name colorfully and vertically on the white 6X9 piece of paper. After writing your name, decide on a word that describes you that starts with the same letter as the letters of your first name. Find a unique word for each letter of your name. Once you are done, you will have an acrostic name poem. Choose any color 9X12 piece of construction paper and glue your acrostic poem on to it.

### Part 2:

Use magazine or computer generated graphics to find symbols that represent your personality and your hobbies etc. For example, I might find a picture of an apple to represent teacher. Cut out the graphics and pictures and glue them on the colored portion of your paper. You need to fill the colored portion with a minimum of 15 graphics.

### Part 3:

Write a biography about yourself. This should be 3 paragraphs. Paragraph one should include information about your family. Paragraph two should include your hobbies and interests. What do you like to do in your spare time? Paragraph 3 should include information about your life here at school. What is your best subject? What do you need help with? Each paragraph should be a minimum of 6 sentences. Type your biography in 12-14 size font and glue it to the back of your project.
