2. Sartorette Starting Arts' production of Lion King wrapping up - will have a March virtual premier
3. Library is almost done - looks amazing!!
4. Markers space will be further developed
5. Picture day and yearbook - working out details and possible plans, students may be sending in selfies, or Lifetouch might get a picture day organized.
6. Mural on campus - HS student will start planning an on campus mural!
7. School tours are available - virtually. HSC parent to be added to these "tours". Great to have a current parent on tour to give their perspective.

2. SARC (School Accountability Report Card)

1. 2019-2020 school year - data is posted on Sartorette and district websites

3. [District LCAP Meeting Presentation \(1/14/21\)](#)

1. Additional budget coming!!
2. State testing will be back this year but shorter tests will be administered
3. CA School dashboard is in process. Delayed due to covid
4. Next steps - training, committee meetings, goals and actions.
 - a. [Addressing Learning Loss](#) - the learning gap is widening. In an effort to address learning loss, we have several programs and strategies being used. Imagine Learning & Math, AR, small grp instruction, homework center, counseling services, afterschool enrichment, MTSS, SST process, differentiating students based on data, standardized assessments, examining student data to identify learning needs. Other ideas to address learning loss are to consider summer school for some students based on need, employ more classroom aides, and provide more afterschool help.
