Dear Cambrian Parents, Families and Community Members,

Please click here to view an important Welcome Back Video Message from Superintendent Dr. Carrie Andrews.

It is with great enthusiasm that I welcome you back for another incredible school year here within Cambrian School District. I would like to share once again how honored I am to be Cambrian School District’s Superintendent and to partner with you to support all of our students. Cambrian is a wonderful school district because of the students, committed staff and each of you.

The most important work done in our society is supporting student learning and education. Our commitment to the community is to promote every educational opportunity for our students while providing a safe and nurturing environment for all. We are very proud of our district and the collaborative efforts made in and out of the classroom that impact our students for a lifetime.

Cambrian School District’s Strategic Plan guides our efforts. We are focused on ways to ensure that every student is offered rigorous, highly engaging learning opportunities. We will provide high-quality instruction that promotes active learning and extended learning opportunities to foster achievement and encourage a welcoming, inclusive community for everyone in Cambrian School District.

We are diligently getting ready and excited to welcome all our students for this new year. As you prepare to send your children back to school, check your school’s website for important information from your principals, with the first day of school being Wednesday, August 14th.

We have a great deal to look forward to in the new school year. Again, I am proud and honored you are a part of our Cambrian School District community and our collective work to support all students’ growth!

Sincerely,

Dr. Carrie Andrews
Superintendent
