- ◆ Students may not leave campus without permission from the office from the time of their arrival on campus through the dismissal bell.
- ◆ Students who come to school after the start of school must report to the office before going to any class.
- ◆ All school gates will be locked during school hours and all visitors must enter through the school office
- ◆ All visitors, including parents, guardians and volunteers, must check in with the office and obtain a visitor's badge before entering the campus. All visitors must check out and leave campus through the front office.
- ◆ Parents and guardians must come to the office to sign their student out if they are taking him/her off campus for any reason.
- ◆ Items that need to be delivered to students by a parent during school hours must be done through the office. Parents may not go directly to the classroom or onto the playground.

General School Rules All students are expected to abide by the following expectations for student behavior:

Bagby B's

- Be Responsible
- Be Respectful
- Be Safe

3 B'S FOR BAGBY'S DROP OFF AND PICK-UP ROUTINES:

BE Responsible: Be aware of when you are getting close to Bagby and in the driveways. Be mindful of children, pedestrians, bicyclists and cars. Practice DEFENSIVE driving skills and stay calm. Due to a staggered release schedule, classes are still in session until 2:45pm. .

BE Respectful: Be respectful of our teachers, staff and neighbors! Staff is here to help ensure safety. Please follow any directions from teachers or staff. Do not block our neighbor's driveways.

BE Safe: Please abide by the traffic lights and crossing guards that are on site. Do not stop your car in the crosswalk or intersection. Traffic laws are in effect at all times.

Coming to School and Returning Home

Parent Drop-off and Pick-up

Parents dropping students is allowed ONLY IN THE FRONT on Harris Ave, and must abide the following:

- The circular driveways in front of the school are for buses and student drop off ONLY. Be respectful of other drivers and do not leave your vehicle in the drop off circles. If you would like to walk your child in, please find an appropriate place to park.
- Please make sure your child is ready to exit your car when you enter the drop off zone at the curb. Please don't create delays for other parents and students by getting out of your car to tie shoes, etc.
- It is against the law to park in front of a curb painted red or yellow. The crossing guard often blocks these areas with orange cones.
- Safety for children walking or riding bicycles is of utmost importance. It is your responsibility to slow down, observe all stop signs, obey the crossing guard, and keep an eye out for children walking close to the edge of the sidewalk.
- Do not block neighborhood driveways at any time. Cars will be ticketed or towed.
- It is against the law to park in a space designated for disabled persons without the appropriate placard. Habitual violators will be reported to police.
- U-turns in front of the school are not permitted. **They are dangerous and illegal.**
- **DO NOT LEAVE YOUR VEHICLE UNATTENDED UNLESS YOU ARE IN A LEGAL PARKING STALL OR PARKED LEGALLY ON THE STREET.**

Walking

Students walking to and from school are encouraged to walk with family members or friends, not alone. Students are expected to follow the school's behavioral standards and all safety laws, including crossing at the crosswalk. Parents can set a good example by following the safety laws at all times. Make sure your child is familiar with the safety laws and how to handle an emergency situation.

The local police department employs a crossing guard to assist students at Harris Ave & Leigh Ave. Students must cross only when the crossing guard has deemed it is safe. The guard will blow one whistle when s/he enters the crosswalk and then two whistles when students are safe to cross.

Riding Bicycles

All students are welcome to ride bicycles to and from school if they so choose. Students are strongly encouraged to lock licensed bicycles (one per lock) to the racks provided through the front entrance next to room 29, on the rear of the cafeteria. The district will not be responsible for bicycles, which are lost, stolen, or damaged.

The law requires children to wear helmets when riding. While on campus, students must walk their bicycles. When riding off campus, students must obey all traffic rules. Violations may result in a student losing his or her bicycle riding privilege.

Student Emergency Form

For the safety of your child, it is imperative to complete the Student Emergency Form, which was sent home to you in August, and return it to the school office **immediately**. This is the only way office staff can contact you in the event of an emergency. It is also the only means the staff has of verifying your authorization of designated friends or family members picking up your child. Without such verification, staff cannot release a child under any circumstances.

Be sure to call the office and/or update Powerschool if your home address, work location, email or telephone number changes. If you have moved outside Cambrian School District attendance boundaries, you **must** obtain an interdistrict attendance agreement from your resident district or re-register as a charter student. Interdistrict transfers must be approved by both districts for your child to continue his/her attendance in the Cambrian School District; charter registration does not require release from a student's home district.

For information regarding charter or interdistrict transfers, please contact your school office or the district office at 408-377-2103 extension 103.

Student Check-out Procedure

Once a student arrives on campus, he or she cannot leave during school hours except when the office has a written note from the parent and/or authorized person signs the child out in the office. If any staff member observes a child being escorted from school without such documentation, the staff member may stop and question the person or persons involved. If a student leaves without proper permission, that student will be considered truant and the police may be called.

Attendance, Truancy, and Health Information

The importance of regular attendance cannot be overemphasized. In addition to the obvious learning benefits to students, law requires regular attendance. As a result, office staff must verify all absences and classify them as excused or unexcused. California Education Code 46010 defines only the following reasons as **excused absences** from school:

- ◆ Illness
- ◆ Funeral service (immediate family)
- ◆ Medical, dental or chiropractic appointment
- ◆ Quarantine
- ◆ Religious Observance
- ◆ Court appearance

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence (BP 5113)

Illness

For health and safety purposes, students who exhibit any of the following symptoms should not be sent to school:

- ◆ A fever or more than 100 degrees
- ◆ A productive cough with yellow or green nasal discharge
- ◆ Eyes that are red, swollen, crusty, draining, or oozing
- ◆ A severe sore throat
- ◆ Diarrhea, nausea, or vomiting
- ◆ Head lice (*notify school immediately*)

- ◆ Contraction of a childhood communicable disease such as chicken pox, measles, or mumps (*notify school immediately*)
- ◆ An untreated infectious illness such as upper-respiratory infection, pink eye, strep throat, or bronchitis (*notify school immediately*)
- ◆ Rash of unknown origin (not diagnosed by health care provider)
- ◆ Acute, severe earache or purulent drainage from ear
- ◆ Severe toothache
- ◆ Pain that does not subside after resting

If a student exhibits any of the above symptoms, the office staff notifies the parents and requests that the child be taken home.

A child diagnosed with a bacterial infection should return to school only after receiving at least 24 hours of antibiotic therapy **and** has been 24 hours without a fever (excluding fevers controlled by fever reducing medication, i.e. Tylenol).

In physician-confirmed cases of childhood communicable diseases, some bacterial infections, and/or head lice, the office staff sends home an exposure notice. Be sure to read the notice carefully as it contains detailed information on symptoms and the incubation period.

Unexcused or unverified absences are absences for reasons not approved under State guidelines. All absences are recorded on a daily basis. California law (Ed. Code 48260) states that a child is considered truant if he/she has three or more unexcused absences in one year. Students with excessive absences will be referred to the Student Services Department, which may result in a home visit and/or referral to the School Attendance Review Board (SARB)

Questionable/Excessive Absenteeism: When a student's total number of absences is in excess of eight days of his/her enrollment of the current school year due to illness and verified by approved methods, any further absences for illness must be verified by a physician, school nurse, or other school personnel. Failure to provide verification by the physician or school nurse/personnel will result in these absences being recorded as unexcused.

Tardies

Unless approved in advance, the failure of a student to be in the assigned classroom within the first 30 minutes of class will receive unexcused tardy. When a student is tardy in excess of 30 minutes on three or more days in a school year, the student is considered, a legal truant (Ed. Code 48260)

Absence and Tardy Reporting

A student's absence from school must be verified by parent/guardian with a written note on the date they return to school or phone call to the school within 24 hours of the absence.

Whenever a child has missed more than 10 days in a school year for a verifiable excused reason, the parent must provide supporting documentation for any further absences to be considered excused. Verification may include notes from doctors, dentists, or other medical professional (on letterhead), a school nurse or health clerk verification, funeral notices, or other supportive documentation.

A verification of the reason for absence shall not be accepted after 20 school days after the occurrence or 14 calendar days after the last school day of the school year (Ed. Code 46015)

Absence 24 hour Reporting Line: 408-377-3882 x 102

Information needed: Child's name, grade, name of parent/guardian reporting, dates absence(s), and reason for absence.

School Attendance Review Board (SARB)

Students who fall under the truancy law (Ed. Code. 48260-48263) shall be reviewed according to law and the rules and regulations established by local board policy. This review process may include a referral to the district SARB, a panel of district and community representatives.

Truant Defined: The student was absent from school without a valid excuse for three days or was tardy or absent for more than a 30-minute period during one school day without a valid excuse on each of the three days, or any combination thereof. This is the first truancy. After the first three unexcused absences, each unexcused absence or tardy over 30 minutes that follow count as one more unexcused absence. These are the second, third, fourth, etc. truanies.

Habitual Truant Defined: Any student is deemed a habitual truant who has been reported absent without valid excuse for three days or was tardy for more than 30 minutes, or any combination thereof, had a letter sent to the parent or guardian, and has had three more unexcused absences or tardies over 30 minutes, or combination thereof. A district employee has made a conscientious effort to hold a least one (1) conference with the student and his/her parent or guardian, after filing reports required by Education Codes 48260-48261.

Purpose of SARB

1. To identify and provide coordinated district and community services to assist parent(s) and student when the student is truant or has school behavior problems.
2. To ensure that appropriate District and community resources have been used prior to referral to the judicial system.
3. To consider the following options if District and community resources are unable to correct school attendance or behavior problems:
 - Propose the use of alternatives to the juvenile court system
 - Refer the student and parents to the Santa Clara county District Attorney's Office

School Health Office

Students sent to the health office are attended to by office staff. The District Health Services Department works in collaboration with all school health offices and trains district personnel in first aid, safety, and emergency procedures. A district nurse is on call for emergencies and oversees all specialized health services. The district nurse also administers the state-required vision and hearing screenings for specific grade levels and reports any concerns directly to parents.

Immunizations (Cambrian School District BP 5141.31; Cambrian School District BP 5141.31; California Immunization Handbook) Students entering a district school or childcare and development program, or transferring between school campuses, shall present an Immunization Record, which shows *at least* the month and year of each immunization in accordance with law. Students shall be excluded from school or exempted from immunization regulations only as allowed by law.

*A transfer student may be conditionally admitted for up to 30 school days while his/her immunization records are being transferred from the previous school.

TDAP According to State law, students entering grades 7 through 12 must show evidence of TDAP booster prior to beginning school. Failure to do so will result in the student's exclusion from school.

Tuberculosis (TB) School Mandate The TB School mandate includes all students entering Transitional Kindergarten, Kindergarten and students transferring into grades TK through 12 from outside Santa Clara County. Refer to the CAMBRIAN SCHOOL DISTRICT Parent Notices-Communicable Disease Control; Immunization section for more information.

Oral Health Assessment (Ed. Code 49452.8) State Law requires that each child have an oral health assessment (dental check up) by a licensed dentist or registered dental health professional or a signed waiver on file by May 31 in either kindergarten or first grade, whichever is the child's first year in public school. An Assessment completed within 12 months before a child enters school also meets this requirement.

First Grade Physicals (Ed. Code 49450) (Health and Safety code 321.50 and 323.5) State Law requires that each child enrolling in the first grade must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months, unless provisions for exemption have been made.

Medication

Any student required to take medication during school hours may do so provided his or her parents and physician complete the appropriate form. The medication must be in its original container with clear directions on the label, including the student's name, medication name, and dosage instructions. All medication must be stored in the health office, although special circumstances may exist to allow a student to carry an emergency medication and self-administer the medication with parent/guardian and physician approval (i.e. asthma inhalers, EpiPens). A district nurse must approve any special circumstance.

Meals and Snacks

Cambrian School District participates in the National School Lunch Program. Students may also bring cold lunches from home and/or a nutritious snack to eat during the morning break. Healthy beverages are available for a nominal fee to students with cold lunches. Information regarding school lunch procedures, use of student identification cards and payment information is sent home the first day of school and in school bulletins throughout the school year. Families can also register online at: <https://secure.ezmealapp.com/>

Free or reduced-price meals are available to students who qualify under federal guidelines. Application forms go home the first day of school and are available in the office any time.

Communication

The most important way to ensure a child's success and positive school experience is through good communication. Without it, we all miss out on enriching opportunities. Be sure to do your part by reading all information in the weekly envelopes and the Banner, attending monthly HSC meetings, and asking questions. Bagby School staff and HSC board members are happy to answer any questions you might have.

Weekly Envelopes (Elementary School)

Every student receives a free envelope full of pertinent information the first day of school. After that, the envelopes go home every Thursday. Regular enclosures include class work, classroom newsletters, breakfast and lunch menus, important HSC or district information, plus occasional community activity brochures. Please read the contents as soon as possible, complete any necessary forms, insert any notes to the teacher or staff, sign and return the signed envelope with your child the following morning.

Concerns and/or questions

Please contact your child's teacher if you have any concerns and/or questions. If you feel your attempts to resolve an issue has failed, please contact the school administrator for assistance.

School Safety and Student Discipline

Emergency Procedures

All schools in the Cambrian School District follow established procedures during emergencies. Emergency preparedness includes regular school-wide drills. These drills help both staff and students to be better prepared should an emergency situation arise.

In the case of an area-wide emergency situation, the superintendents of all school districts act as emergency officers for their respective districts. If the school superintendent declares a state of emergency during school hours, all students will be required to remain at school or an alternate safe site supervised by district personnel. The students will be released at regular dismissal time only if it is deemed safe. At that time, students will be released to authorized adults only (the parent, legal guardian, or adult listed on the Student Emergency Form). If bused students are on their way to school

during an emergency, the bus will continue to school. Students walking to school during an emergency should proceed to school. Likewise, if they are on their way home, they should continue home.

Campus Safety

Cambrian School District makes every effort to maintain a safe, positive school environment that promotes student welfare and academic achievement. The District expects students to make good use of learning opportunities by demonstrating regular attendance, appropriate, conduct, and respect for others. Students who jeopardize the safety or welfare of others on campus shall be referred to an administrator for disciplinary action, including involvement of local law enforcement agencies when necessary.

School officials may search individual students and their property when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law or the rules of the district or the school. The parent/guardian of a student subject to an individualized search shall be notified by the district as soon after the search as possible.

Law enforcement officers have the right to interview and question students on school premises. Police officers, officers of the juvenile court, and other authorized law enforcement officials have an absolute right to enter a school to take a student into custody or to make an arrest of a student.

Cambrian School District works closely with local law enforcement agencies in the preparation, review, and annual adoption of school safety plans. In emergency situations, which may pose a threat to campus safety, local police will work closely with school staff and will direct all safety and security operations. In order to ensure student safety, all school personnel, students, and parents must comply with the law enforcement directives in such emergency situations. Non-school personnel, including parents, will not be permitted on school grounds or access to students until the police have determined a threat to safety no longer exists.

(Governing Board Policies 3516, 5145.11 and 5145.12)

Expected Behavior

In order to provide an effective learning environment for all students, Bagby staff works in collaboration with students and parents to provide a predictable, positive, safe, and consistent school environment.

Students who engage in inappropriate or disruptive behavior, fail to follow classroom or school rules, or refuse to abide by the directions of school officials while at school will be subject to disciplinary actions by their teachers and/or school administration.

Students who harass, bully, or otherwise intimidate other students shall be subject to appropriate discipline, up to and including counseling, suspension, and/or expulsion.

Positive Behavior Intervention System (PBIS)

At Bagby, we have developed a systematic approach to establishing the positive social culture and behavioral supports needed to support an effective learning environment for all students. We have a three-tiered approach:

ALL Students-Primary

Consistent expectations
Consistent school wide lesson plans-common areas
Common understanding-Major/Minor behaviors
Consistent Referral Process
Positive Environment-Regular Recognition

Secondary and Tertiary

Check-in-Check-out
Individualized Behavior Plans (tiered approach)
Intervention Team
Possible Student Study Team

Primary Preventions & Interventions:

Our expectations are that students, staff, parents, and community: Follow the Bagby B's-Be safe, be respectful, be responsible.

Students in grades TK-5 (5-8) may earn a Bagby Bravo when recognized by any staff member for positive behavior. A Bravo from each grade level's bin is drawn weekly, and that student receives a trophy to display in the classroom for that week.

Bagby School also encourages and recognizes positive behavior toward self and others at our monthly student assemblies. Monthly school assemblies are held to highlight positive actions within classrooms that demonstrate the Bagby B's and Character Traits associated with Project Cornerstone and Bagby's Life Skills such as honesty, persistence, integrity, etc.

General Procedures for Dealing with Problem Behaviors

- Observe problem behavior
- Problem solved by student "Stop-Walk-Talk"
- Problem identified as minor or major (see page 15)

Zero Tolerance

The Board supports a zero tolerance approach to serious offenses in accordance with state and federal law. This approach makes the removal of potentially dangerous students from the classroom a top priority. It ensures fair and equal treatment of all students and requires that all offenders be punished to the fullest extent allowed by law. Staff shall immediately report to the Superintendent or designee any incidence of offenses specified in law, Board policy and administrative regulation as cause for suspension or expulsion.

Zero tolerance requires a mandatory suspension and recommendation for expulsion of students who possess, sell or furnish a firearm, brandish a knife, sell a controlled substance, commit or attempt to commit a sexual assault or sexual battery, or possess an explosive. (Education Code [48915](#))

In addition, the Cambrian School District has adopted countywide Zero-Tolerance Policy in conjunction with our local law enforcement agencies. This policy states that weapons are not tolerated on any school district campus. We will report any student who breaches this policy to the appropriate law enforcement agency. The student is then subject to disciplinary action up to and including expulsion from the district.

State law expressly prohibits firecrackers, knives, firearms or imitation firearm, weapons or other dangerous objects, tobacco, alcohol and other controlled substances from school grounds. Possession of any of these items will lead to disciplinary action, including suspension and/or expulsion.

Suspended or expelled students shall be excluded from all school-related extracurricular activities during the period of suspension or expulsion.

Personal Items: Toys and Games; Prohibited Items

Items that are disruptive and/or can cause a safety hazard do not belong at school. Our main responsibility is to provide an environment that is safe and conducive to learning. Specifically, Cambrian School District prohibits the following items on school campuses:

Students' prohibitions or use of nicotine delivery devices, such as electronic cigarettes, is also prohibited.

School personnel may also confiscate permitted items that are used inappropriately. Students may be subject to disciplinary procedures, which may result in suspension from school.

Cellular Phones and Pagers

Cambrian School District permits students to carry cellular phones and pagers. However, students may not use either the cellular phones and/or pagers during the school day. As stated in District policy, cellular phones and pagers must be turned off during the school day. Students who violate this policy may be subject to disciplinary action.

The District assumes no liability for the loss or theft of cellular phones and/or pagers.

Recess Restriction

Teachers and site administrators may restrict a student's recess time under the following conditions when s/he believes that this actions is the most effective way to bring about improved behavior, subject to the following conditions:

- ◆ The student shall be given adequate time to use the restroom and get a drink or eat lunch, as appropriate.
- ◆ The student shall remain under a certificated employee's supervision during the period of detention.

- ◆ Teachers shall inform the principal of any recess restriction they impose.

(Governing Board Policy 5144)

Detention After School

Students may be detained for disciplinary reasons up to one hour after the close of the maximum school day.

If a student will miss his/her bus on account of being detained after school, or if the student is not transported by school bus, the principal or designee shall notify parent/guardians of the detention at least one day in advance so that alternative transportation arrangements may be made. The student shall not be detained unless the principal or designee speaks to the parent/guardian.

Students shall remain under the supervision of a certificated employee during the period of detention.

(Governing Board Policy 5144)

School Property

Students are responsible for all textbooks, library books, desks, computers, and all other types of property issued to them during the school year. The school will solicit replacement costs in the event of loss or damage. Grades and/or transcripts may be withheld until payment has been made.

Appropriate Attire

While we recognize the importance of individual expression, there clearly are certain styles that are not conducive to an educational environment. What a student wears to school often dictates his/her attitude and behavior while at school. Students not dressed appropriately will be asked to telephone their parents to have other clothing brought to school, or be sent home to change (Board Policy 5132). Students are expected to comply with the following:

- ◆ A student's hairstyle, clothing, jewelry, and makeup should not distract others from learning.
- ◆ Clothing with printed vulgarities and/or drug and alcohol-related themes are not acceptable.
- ◆ Skin-tight apparel, excessively baggy apparel, short shorts, bare midriffs, mini skirts, and loose-fitting tank tops are not appropriate.
- ◆ Students must wear shoes at all times.
- ◆ No hats, beanies or hoods will be worn on campus. In support of the new state law to permit students to wear sun protective clothing to school, a student may wear a hat, if that student has a letter on file from his/her parent requesting a hat be worn for sun protection. Hats may not be worn indoors.

Parent Participation

Parent involvement is encouraged at Bagby School. Listed below are some of the existing programs in which parents participate:

Home and School Club

The Bagby HSC aims to enhance the educational growth of our children by supporting school programs like incentives for the Accelerated Reader Program, Art Vista materials and classroom volunteers, Science Fair, After School Enrichment, and school-wide assemblies. The HSC also provides funds for much-needed classroom supplies as well as fun and exciting field trips. At the monthly meetings, parents ask questions and get answers. They also find a tremendous amount of support just from talking with other parents. Meetings are the first Tuesday of every month. See the Bagby website calendar for monthly meeting reminders.

School Site Council

The School Site Council is a decision-making body made up of parents, community representatives, and school staff members. The School Site Council's primary responsibility is to oversee the funds the school receives under the Single

Plan for Student Achievement (SPSA). The funds are designed to improve student performance as measured by standardized tests, the District's assessment program, and classroom performance. The Council assists in developing and approving the SPSA.

School Event Sign/Marquee

Monthly events are highlighted to remind families and encourage parent involvement. The school bulletin board outside the office contains a more detailed monthly calendar highlighting school wide events, and posters to remind parents of school or district events.

Special Services and Programs

Special Education Assistance/Section 504 Plans

Cambrian School District provides specialized educational programs for students with identified learning disabilities. Some of these programs function in a special class setting and others are incorporated into the regular instructional setting. These programs require referral, assessment, and parental permission. Questions regarding special education or Section 504 procedures should be directed to the school principal.

Student Study Team (SST)

This group meets on a regularly scheduled basis to take a closer look at students who are experiencing academic and/or behavioral difficulty. Membership on the Student Study Team may include the school psychologist, the resource specialist, the principal, the child's teacher, and the child's parent. Remedial actions may include classroom accommodations, special education assessment, and/or medical or behavioral evaluations.

Classroom Computers/Internet Access

Computers, printers, and internet access are available in every classroom at Bagby. Internet access allows for expanded and global educational opportunities for students. A signed Internet Use Agreement must be on file before a child may explore the internet.

Bagby School is proud to host a web page through the District's home page: <http://www.cambriansd.com>

Library

Bagby School library contains many books and reference materials. Each classroom has a regular schedule for visiting the library. The library staff and volunteers instruct students on using the library, caring for books, using reference materials, and using the computer retrieval system. Under adult supervision, students may spend time learning to use a computer.

Other Important Information

Homework

Students who miss school work because of unexcused absences shall be given the opportunity to make up missed work. Teachers shall assign such makeup work as necessary to ensure academic progress, not as a punitive measure (Board Procedure 6154). Although it is the student's responsibility to do most homework assignments independently, teachers and parents/guardians are expected to be partners in educating students. When students repeatedly fail to do their homework, parents/guardians shall be notified and asked to contact the teacher (Board Policy 6154). Homework assignments are designed to extend and practice what has been learned in the classroom, and students should be able to complete the homework assignments independently. Parents, or persons assisting with the homework may notify their children's teachers if the children struggle with completing the homework assignments independently, as this may highlight for the classroom teacher areas needing additional focus.
