"Exploring Infinite Possibilities for Learning"

What is Positive Behavior Interventions & Supports (PBIS)?

PBIS (Positive Behavioral Interventions and Supports) is a school wide approach to discipline and process for creating safer and more effective schools. PBIS is a systems approach to enhancing the capacity of schools to educate all children by developing research-based, school wide, and classroom discipline systems.

The process focuses on improving a school's ability to teach and support positive behavior for all students. With PBIS, instructional time is more effectively used for teaching and the overall school environment is calm and conducive to learning.

At Farnham, our school expectations fall under the ABC's:

School-wide Expectation:

- Treat adults and each other with respect and courtesy.
- Follow directions of all school personnel.
- Walk quietly in the hallways.
- Keep hands and feet to yourself.
- Keep the school clean.
- Use appropriate language, gestures and behavior with adults and schoolmates.
- Refrain from physical and verbal aggression.
- Respect and take care of school property.
- Follow other rules and procedures, including those regarding bicycles, the playground, the cafeteria, dress code and items not allowed.

What Happens When Your Child Follows the ABC's?

When students follow the ABC's, the instructional educational plan can be implemented at its best. Teachers are able to teach in an environment conducive to teaching and students are able to learn in an environment that is comfortable and safe.

Students can also earn rewards! Students are awarded Falcon Feathers when they make good choices. When a teacher gives a student a Falcon Feather, they are specific about calling out the positive choice the student made. Falcon Feathers are used as a school-wide currency to purchase items from our student store. In addition, our program supports school-wide incentives such as extended recess time for positive behavior.
