

Student Technology Use Agreement (TUA) - Student Version

The use of all technologies at school are provided for students to learn. The purpose of this agreement is to ensure that everyone uses technology at school in a safe, responsible and respectful way.

I, _____, will:

... be safe.

- I will not create accounts or give out any private information - such as my full name, date of birth, address, phone number, or photos of myself - without a trusted adult's permission.
- I will not share my passwords or usernames.
- I will use technology such as my school email account to communicate only with students and teachers, and only for educational purposes.
- If anyone makes me feel uncomfortable or acts inappropriately toward me online, I will stop talking to that person and I will let a trusted adult know.

... be responsible.

- I will take care of the device I am using and let an adult know if it is broken, stolen, or lost.
- I understand that teachers and staff may review my files, emails, and other communications to ensure they are being used responsibly.
- I know that not everything I read, hear, or see online is true. I will consider whether a source or author is credible.
- I will use only the accounts that have been provided by my teacher.
- I will only use technology at school for educational purposes.
- I will report the misuse of technology to a teacher or principal.
- I will not use my phone or other personal technology during the school day for any purpose unless I have the explicit permission of a teacher.

... be respectful.

- I will communicate with others online in a courteous and respectful manner.
- I will respect the work of other students.
- I will not bully, humiliate, or upset anyone online - whether through sharing photos, videos, or screenshots, or spreading rumors or gossip - and I will stand up to those who do.
- I know that whatever I share online can spread fast and far. I will not post anything online that could harm my reputation or the reputation of others.
- Whenever I use or share someone else's creative work online I will give proper credit to the author or artist.

I understand that my access to the district's computer network and electronic devices is a privilege, not a right. If I break my the agreements above or otherwise abuse the privileges of using technology, it may result in disciplinary action including:

- a. Losing access to school technology..
- b. Discipline, including possible suspension/expulsion.
- c. Law enforcement involvement if there is illegal use of the Internet or the network.
